

This letter is in response to a request made by Ashley Carter of the FEC on April 20th, 2011 for additional information/explanation regarding the Year-End Report (11/23/2010-12/31/2010).

After reviewing our records concerning the \$10,025 disbursement to "Bank of America" for "Deposit Correction" we have discovered that the deposit slip was written in error. The deposit slip was written for \$23,573 but only \$13,548 was deposited. The \$10,025 was filed on the FEC report as a "Deposit Correction."
